THE LEGACY OF A **GAME CHANGER.**

Disruption is in our DNA. The prospect of changing the game gets us going. Challenging the status quo, questioning the conventions, and always attempting something new. Today, this disruptive streak runs throughout the group **thanks to our inceptor Mr. Vilaskumar Thanmal Palresha. VTP.**

What started as a spark in a young entrepreneur's heart in Pune way back in the 80's, is today a very strong foundation of a group, that is at the forefront of the city's real estate development. We are very proud to have contributed to redefining Pune's skyline. **We have set the cornerstone, quite literally, of most of the iconic structures of the city, in the last 38 years.** We have contributed to the transformation of every pin code of Pune, as an end-to-end real estate group.

Never to rest on past laurels, we are most passionate about setting new benchmarks in every sector we work in. Not just to be the best, but also, be the innovators and the turnaround specialists.

We carry on the legacy that is VTP.
